Head Coach Jim Bennet

Welcome to Poway High School Softball!!!!

As I enter my ninth year as coach of the Varsity and my 17th year in the program, I am extremely proud of the progress we've made. We are one of the strongest and well-respected programs in the county and will continue to work hard to achieve our goals.

We welcome Coach Denise Ginn to our staff to take over our Frosh/Soph team this season. Carisa Chavez will again be helping with the Varsity, as she has for the past nine years. Gene Morris will be entering his seventh year coaching the JV and Mike Snell is in his ninth year, helping out everywhere he is needed. Lindsey Grosch is back for her fourth year and will be moved from the great work she did with the Frosh teams to a Varsity Assistant. This year a former player, Joanna Gail, will be here to help us part time. Senior Rachel Trott has volunteered again this year to help with the Frosh and a former player Kristen Kapitze will be helping with the JV. We are all dedicated to helping all of our teams achieve success on the field, while having a great time.

The Palomar League, like always, will be very competitive, arguably the strongest in San Diego County. The League has again been realigned and we welcome back Mt. Carmel, Westview, Torrey Pines and the addition of Ramona along with Rancho Bernardo. The Division I play-offs will also be extremely competitive. Our girls are looking forward to both of those challenges. This year's Varsity has nine returning players and seven new additions. They are connecting well together and working hard for a common goal.

I would like to thank all of the sponsors for supporting Poway High Girls Softball. We couldn't give these young ladies this wonderful opportunity without your help. THANK YOU VERY MUCH!! I would also like to thank our parents for their help and support in running our program. Again we couldn't do it without you!

Personally, I would like to thank lovely wife, Christi, and my golden boy, Maverick for allowing me to spend so much time coaching and for coming to our games.

And lastly, THANK YOU, to all the girls on all three of our teams for working hard and showing everyone that you are,

MIGHTY PROUD TO BE A TITAN.

ENJOY THE JOURNEY!!!!

Senior

This is a season to never forget. Going out with a bang my senior year with the best group of girls is the only way I pictured my high school career ending. I first and foremost want to thank everyone who has helped me become the player and person I am today through the last four years. It was such an honor playing as a Titan for some of the best coaches: Coach Bennet, Coach Carisa, and Coach Lindsey. Also receiving all the support I have from my family. Softball is our family hobby, and to this day I love playing the game. Thank you Mom, Dad, and Syd. Sydney, someday you might be as good as me, just keep working hard and maybe you will get to represent Poway Softball. Good luck sis!

To my varsity girls, this was by far the most fun I have ever had playing softball! Everyday at practice and games was always a blast! It has been such a privilege sharing the field with you all and I wish you the best in your future.

Always deep within my heart, the green and the grey!

Haley, have a great senior year! You've worked hard and deserve it. Always remember:

VARSITY

I am so incredibly lucky to be a part of the Varsity Softball team here at Poway. I am so happy to be playing with such a beautiful group of girls inside and out. A HUGE thank you to all the coaches that come out every single day to help us improve our skills on the field. You are here because you want to be here, and I really appreciate that. Bennet, I thank you so much for all your hard work and dedication to this program for several years now. Carrissa! I'm mad at you for getting a promotion in your job and not being here as much. I cherish our love-love relationship... I know you do too. Don't deny it. Bubbly is my new name for Lindsay because she has a huge donk. But seriously. I want to also thank you a ton for helping me and reminding me to do the small things in the outfield. And Snell, your dances moves crack me up. I now know where Chase gets it from. Basically, thank you to all the coaches. Morris I love you!

I love every single one of the girls on our team. I am really anxious to see what this year brings us. Everyday I see each of them working 110% to get better. I wouldn't have this team any other way. A lot of these girls inspire me to work and push myself to another level every day. I am going to be devastated when my seniors leave for college. I don't know what I am going to do without Ang and our dance sessions with Chase too. I will miss you so much Angie it's not even funny. I will miss Haley's bomb homeruns basically every game because you're that good. Steph! What am I going to do without you in the outfield with me? I don't want any of the seniors to leave me. But I know you will all do so great in college. I am really looking forward to this season with all the talent we have on this team. I really believe we will go far. Brit you're my twin... I love you.

There are no words I can say to express my love for my parents. As much as they punish me and take things away from me, I truly know they are simply doing this because they love me, as cliché that sounds. My parents and the rest of my family have always been supportive of me my whole life. Thank you papa for going to all my games and helping me be a better softball player. I love you. Mom, I really do love you. Thank you for driving me everywhere and also coming to my games as well. Love you Kimbear and Goddess Divine and Toast.
